

March 7, 1983

CLERK: Mr. President, a few items, a new A bill, LB 19A offered by Senator Kahle. (Read LB 19A by title for the first time as found on pages 801-802 of the Legislative Journal.)

Senator Carster would like to print amendments to LE 396. (See page 802 of the Legislative Journal.)

Mr. President, a new resolution, LR 39 offered by Senators Barrett, Pappas, Vickers and Lamb. (Read LR 39 as found on page 802 of the Legislative Journal.) That will be laid over, Mr. President.

Mr. President, I have a confirmation report from the Public Health and Welfare Committee.

Your committee on Public Health and Welfare reports LB 142 advance to General File with committee amendments attached; 470 General File with committee amendments attached; 472 General File with committee amendments attached; 161 indefinitely postponed and 323 indefinitely postponed, all signed by Senator Fenger as Chair. (See pages 803-805 of the Legislative Journal.)

PRESIDENT: Very well, ready for.....

CLERK: Mr. President, LB 235 was a bill introduced by Senators Higgins, Wesely, Labeledz and Wiitala. (Read.) The bill was read on January 13 of this year. It was referred to the Public Health and Welfare Committee for hearing. The bill was advanced to General File, Mr. President. There are committee amendments pending. I understand, Senator, that corrected copies of the committee amendments have been distributed to the members. I believe you will find them on your desk.

PRESIDENT: Senator Higgins, are you handling this bill? Senator Fenger, excuse me.

SENATOR FENGER: Thank you, Mr. President. Ladies and gentlemen of the Legislature, as the Clerk mentioned you should have corrected copies of the committee amendments on your desk. If anyone is short I have a couple of extras back here. As far as the corrected copy of the committee amendments are concerned you will find on page 3, line 13, the correct section, 71-2024 has been inserted. This was a typographical error which originally read 21-2024. Section 30 of the bill has been stricken. This was a requirement that the Department of Health annually prepare and make available to public a report listing all nursing homes which had citations issued in the past year. The
